SPEAKMAN SAFETY SURVEY & ON-SITE TRAINING

Yeager Supply INC.

ONSITE AT CUSTOMER LOCATION

Now our customers can schedule a free Speakman safety survey or Speakman training session with your Yeager Supply sales representative or call 800-422-8140.

A Yeager Supply sales representative along with one of our Speakman safety equipment representatives will go to your company's location to provide requested training or survey described below.

SPEAKMAN SAFETY EQUIPMENT TRAINING

Welcome to the world of emergency equipment, a complex yet incredibly necessary component of almost every worksite.

Our Speakman representative will guide you through this mistifying land & make sense of the laws, codes & standards. They will help you understand common hazards on-site at customer location & simply explain how to select the correct products that are code compliant to help avoid penalties.

You will come away with a better sense of how Speakman products can provide solutions that help to create a safer work environment.

Discussions topics to include:

1. Laws, codes & standards
2. 10 seconds to safety
3. Common hazards
4. Code compliance
5. Product solutions
6. Penalties for non compliance
7. Facility survey application for IOS operating systems

SPEAKMAN®

SPEAKMAN SAFETY SURVEY

A Yeager Supply sales representative along with our Speakman representative will review a customer facility & give you a list of areas of emergency equipment additions & suggestions needed to help ensure code compliance.

FACILITY SURVEY BENEFITS:

1. Reduce risk of OSHA violation
2. Create a safer work environment
3. Receive a full facility evaluation or requested areas requested by customer
4. Receive compliancy recommendations
5. Photographs of evaluation areas
