TRAINING ON-SITE AT CUSTOMER LOCATION

Now our customers can schedule free Yeager Supply/AIRpipe Contractor Training with your Yeager Supply sales representative or call 800-422-8140.

A Yeager Supply sales representative along with one of our AIRpipe representatives will go to your company's location or jobsite to provide requested training or Yeager Supply/AIRpipe project services.

YEAGER SUPPLY/AIRpipe CONTRACTOR TRAINING (Lunch & Learn)

Yeager Supply/AIRpipe training is available to provide certified hands-on training for contractors, installers and end users.

Our AIRpipe representative will guide you through the technical aspects and installation for all AIRpipe products

Upon completion of the training you will receive a certification that you have successfully completed the AIRpipe Contractor Training program involving the technical aspects and installation of AIRpipe piping, fittings, equipment and accessories and is now recognized and honored as a Certified AIRpipe Installer.

YEAGER SUPPLY/AIRpipe PROJECT SERVICES

Ask your Yeager Supply sales representative about free AIRpipe project services, including specification and submittal support, and system sizing/layout recommendations.

A Yeager Supply sales representative along with our AIRpipe representative will meet with your company's specification engineer's at your company location. Also, if you have a bill of materials Yeager Supply can provide a quote next day.

Once awarded, AIRpipe offers complete take-offs from mechanical drawings. Yeager Supply would supply full bid products and delivery to your facility or jobsite.

"We are committed to being your total solution provider for compressed air and fluids distribution systems." - AIRpipe
